

2022 LVSA Youth

The Lebanon Valley Sportsmen Association Youth Sportsmen Program is open to participants from 6-15 years of age that have an interest in the shooting sports. You do not have to be a member of LVSA to attend the program. Participants will learn about archery (compound and recurve), .22 rifle shooting, 10 Meter air rifle, and trap shooting in a safe and fun environment.

Our instructors cater to each participant's needs based on the individual shooter's experience. Whether they are brand new to the shooting sports or looking to improve their skills, our mentors are there to help. Equipment for the shooting sessions will be supplied by Lebanon Valley Sportsmen Association. Participants that wish to bring their own gear must check in with the mentors at each range.

The rifle range will be set up with paper targets, steel targets, balloons, balls, and other interactive targets. The trap range is set up with both flying and stationary clay targets. The archery range is set up with traditional archery targets, 3D animal targets, balloons, and other interactive targets. The air rifle range is set up with paper targets, balls, chimes, and other interactive targets.

THERE IS **NO CHARGE** FOR PARTICIPATION IN THE PROGRAM.

Participants can fill out the "Emergency Contact Information Form" by following the instructions on the "Youth Events" page of our web site: www.lebanonvalleysportsmen.com.

All Sessions are 6:00PM-8:00PM
